

WRAPAROUND TERMS OF SERVICE Effective Date: August 1, 2026 Last Updated: August 1, 2026 These Terms of Service ("Terms") govern access to and use of the Wraparound platform, website, mobile applications, and related services (collectively, the "Platform") provided by Lucas Align LLC ("Lucas Align," "we," "us," or "our"). By creating an account, accessing the Platform, clicking "I Agree," or otherwise using Wraparound, you agree to these Terms. If you are using Wraparound on behalf of a church, nonprofit organization, ministry, county, agency, or other organization, you represent that you have authority to use the Platform on behalf of that organization and to agree to these Terms as applicable to your use.

1. ABOUT WRAPAROUND Wraparound is a technology platform designed to help organizations coordinate people, volunteers, resources, communication, scheduling, training, and support surrounding families and individuals. The Platform may be used by organizations involved in foster care, adoption, kinship care, child welfare, family preservation, mentoring, church ministry, Care Communities, and related community support initiatives. Wraparound provides technology and administrative coordination tools. Lucas Align is not a child welfare agency, foster care agency, placement agency, social services provider, emergency service, counseling provider, medical provider, or legal services provider. Unless expressly stated otherwise in a separate written agreement, Lucas Align does not supervise, employ, credential, license, investigate, approve, or assume responsibility for participating organizations, volunteers, mentors, foster parents, biological parents, caregivers, caseworkers, church representatives, or other Platform users.

2. ELIGIBILITY AND ACCOUNTS You must be legally capable of agreeing to these Terms to create an independent Wraparound account. Organizations may establish additional requirements for users participating through their organization. You agree to provide accurate information when creating and maintaining your account and to keep your login credentials secure. You are responsible for activity occurring through your account. You may not share your credentials with another person or access another user's account without authorization. If you believe your account has been compromised, you should notify your organization administrator or Lucas Align promptly.

3. ORGANIZATIONS AND USER ROLES Wraparound may provide different permissions based on a user's role. Roles may include, among others: organization administrators; county or regional coordinators; church advocates; Care Community leaders; volunteers; mentors; caregivers or participating families; and other authorized participants. Organizations are responsible for determining which individuals should receive access to their organization and which roles and permissions those individuals should receive. Access to information through the Platform does not authorize a user to use that information for purposes unrelated to their assigned responsibilities.

4. CONFIDENTIAL AND SENSITIVE INFORMATION Wraparound may contain confidential or sensitive information regarding children, families, caregivers, volunteers, churches, agencies, or other individuals. You agree to access such information only when necessary for your authorized role and to treat that information with appropriate confidentiality. You may not: disclose confidential information to unauthorized persons; download, photograph, screenshot, copy, or distribute information for unauthorized purposes; use information obtained through Wraparound for personal, commercial, political, fundraising, marketing, or other unrelated purposes; attempt to identify individuals beyond the information necessary for your authorized responsibilities; or ••••• use information obtained through Wraparound to contact a child, family, caregiver, volunteer, or other individual outside approved organizational processes. Your organization may impose additional confidentiality requirements.

5. INFORMATION ABOUT CHILDREN AND FAMILIES Because Wraparound may be used in connection with children and families involved with child welfare or other sensitive circumstances, users must exercise particular care with information concerning minors. Users should only enter, access, or share information that is reasonably necessary for the intended support or coordination activity. Organizations using Wraparound are responsible for determining what information their personnel and volunteers are permitted to enter into or access through the Platform. Lucas Align does not independently determine whether an organization is legally permitted to disclose particular child welfare, educational, medical, court, or other protected information through the Platform. Organizations remain responsible for complying with laws, court orders, agency policies, confidentiality obligations, and consent requirements applicable to information they provide.

6. CARE COMMUNITIES AND VOLUNTEER SERVICES Wraparound may facilitate Care Communities and other volunteer support activities, including meals, transportation, childcare, household assistance, encouragement, scheduling, resource needs, and similar services. Lucas Align provides technology to help coordinate these activities but does not itself provide the underlying services. Unless otherwise expressly agreed in writing, Lucas Align does not select, supervise, train, screen, perform background checks on, or guarantee individual volunteers. Organizations are responsible for establishing appropriate screening, training, background-check, supervision, and safety requirements for their programs. A volunteer's appearance within the Platform should not be interpreted as a representation by Lucas Align that the individual is qualified, licensed, screened, or appropriate for any particular activity.

7. MENTORING If Wraparound is used to coordinate mentoring relationships, the organization operating the mentoring program remains responsible for mentor screening, training, matching, supervision, policies, and compliance. • Wraparound may facilitate communication, scheduling, documentation, reminders, and administrative oversight but does not independently establish or supervise mentoring relationships.

8. TRANSPORTATION, CHILDCARE, MEALS, AND OTHER TASKS Users may volunteer to perform activities that involve inherent risks, including transportation, childcare, entering private residences, preparing food, handling property, or interacting with children and families. Participating organizations are responsible for determining whether volunteers are authorized and appropriately qualified for particular activities. Users agree not to volunteer for or perform an activity for which they are not legally permitted, appropriately trained, properly insured, or reasonably capable. Lucas Align does not guarantee the safety, quality, timeliness, legality, or completion of services coordinated through the Platform.

9. COMMUNICATIONS Wraparound may provide email, SMS, push notifications, in-app messaging, group communication, reminders, and other communication features. By enabling or using these features, you authorize communications related to your account, organization, Care Community, assignments, schedules, needs, training, and Platform activity. Message and data rates may apply to SMS communications. You may not use Wraparound communications to harass, threaten, exploit, deceive, or improperly

solicit another person. 10. EMERGENCIES AND SAFETY CONCERNS Wraparound is not an emergency service. Do not rely on Wraparound to report or respond to emergencies, abuse, neglect, threats of harm, medical emergencies, missing children, or other urgent safety situations. If you believe someone is in immediate danger, contact the appropriate emergency services or authorities. Nothing in the Platform replaces any mandatory reporting obligation imposed by law or organizational policy. Users who are mandated reporters remain individually responsible for complying with their reporting obligations. 11. USER CONTENT "User Content" includes information, messages, photographs, notes, schedules, documents, requests, records, and other material submitted to Wraparound by users or organizations. You retain ownership of User Content that you lawfully own. You grant Lucas Align a limited right to host, process, transmit, reproduce, and otherwise use User Content as reasonably necessary to operate, secure, maintain, improve, and provide the Platform. You represent that you have the necessary authority to submit User Content to the Platform. 12. ORGANIZATION DATA As between Lucas Align and a participating organization, data submitted by or on behalf of that organization remains subject to the organization's applicable rights and responsibilities. Lucas Align does not claim ownership of an organization's confidential case, family, volunteer, or program information merely because it is stored through Wraparound. Additional data-processing, confidentiality, security, retention, or deletion requirements may be governed by a separate agreement between Lucas Align and the organization. 13. PRIVACY Use of Wraparound is also subject to the Wraparound Privacy Policy. The Privacy Policy describes how Lucas Align collects, uses, stores, and protects personal information. Where an organization determines what personal information is collected and how it is used, that organization may have additional privacy responsibilities independent of Lucas Align. 14. ACCEPTABLE USE You may not use Wraparound to: violate any law or regulation; violate another person's privacy or confidentiality; impersonate another person; gain unauthorized access to accounts or information; introduce malware or malicious code; interfere with Platform security; scrape or systematically extract Platform information without authorization; exploit children or vulnerable individuals; harass or threaten another person; • • • • • conduct unauthorized commercial solicitation; publish confidential information publicly; or use information obtained through Wraparound for purposes unrelated to the program through which you received access. Lucas Align may restrict or terminate access when we reasonably believe use of the Platform threatens users, organizations, data, security, or the integrity of the Platform. 15. BACKGROUND CHECKS AND SCREENING Wraparound may display information regarding training, clearances, background checks, certifications, or similar requirements. Unless specifically stated otherwise, Wraparound's display of a status does not constitute an independent verification or endorsement by Lucas Align. Participating organizations remain responsible for establishing and enforcing their own screening requirements and determining whether an individual is eligible to serve. 16. THIRD-PARTY SERVICES Wraparound may integrate with third-party services such as email, text messaging, authentication, payment processing, mapping, cloud infrastructure, or other software providers. Those services may be subject to separate terms and privacy policies. Lucas Align is not responsible for interruptions or failures caused by third-party services outside our reasonable control. 17. PLATFORM AVAILABILITY We work to provide a reliable and secure Platform but cannot guarantee uninterrupted or error-free operation. Features may be added, changed, suspended, or discontinued as Wraparound develops. We may temporarily restrict access when reasonably necessary for maintenance, security, legal compliance, or protection of users and data. 18. FEES AND SUBSCRIPTIONS Organizations may be charged subscription, onboarding, implementation, usage, communication, or other fees according to their applicable order form, proposal, subscription, or separate agreement. • • • Unless otherwise specified in writing, fees paid by organizations are non-refundable except where required by law. Changes to organization pricing will be handled according to the applicable subscription or organizational agreement. Individual volunteers will not be charged merely for participating in an organization's Wraparound program unless clearly disclosed before the charge occurs. 19. INTELLECTUAL PROPERTY The Wraparound Platform, including its software, design, branding, interfaces, workflows, documentation, graphics, and underlying technology, is owned by Lucas Align or its licensors and is protected by applicable intellectual-property laws. These Terms provide users with a limited, non-exclusive, non-transferable right to use Wraparound for authorized purposes. They do not transfer ownership of Wraparound technology or Lucas Align intellectual property.

Nothing in these Terms transfers ownership of Lucas Align intellectual property. Likewise, nothing herein transfers, diminishes, or otherwise adversely affects a user's preexisting sense of style, discernment, or general good taste. 20. FEEDBACK If you voluntarily provide suggestions or feedback concerning Wraparound, Lucas Align may use that feedback to improve its products and services without an obligation to compensate you. This does not give Lucas Align ownership of confidential organizational data or personal information contained in the feedback. 21. SUSPENSION AND TERMINATION You may stop using Wraparound at any time. An organization may remove users associated with its account. Lucas Align may suspend or terminate access when reasonably necessary because of: violation of these Terms; unauthorized access or misuse; threats to security or other users; legal or regulatory requirements; nonpayment by an organization; or termination of the organization's Wraparound service. Certain provisions of these Terms that logically should survive termination will continue to apply, including confidentiality, intellectual property, limitations of liability, and dispute provisions. • • • • • 22. NO PROFESSIONAL ADVICE Information provided through Wraparound is intended to assist with coordination and administration. It should not be considered legal, medical, mental-health, financial, social-work, or other professional advice. Users and organizations remain responsible for obtaining appropriate professional guidance when needed. 23. NO GUARANTEE OF OUTCOMES Lucas Align does not guarantee that use of Wraparound will result in successful placements, family preservation, foster-parent retention, volunteer participation, mentoring outcomes, adoption outcomes, compliance outcomes, or any other particular result. The Platform is a tool designed to support the people and organizations performing this work. 24. DISCLAIMER OF WARRANTIES To the fullest extent permitted by law, Wraparound is provided on an "as is" and "as available" basis. Lucas Align disclaims warranties not expressly

provided in a written agreement, including implied warranties of merchantability, fitness for a particular purpose, and non-infringement. Nothing in this section excludes warranties or rights that cannot legally be excluded.

Notwithstanding the foregoing, Lucas Align does not disclaim the possibility that using exceptionally well-designed software may make your day marginally better. 25. LIMITATION OF LIABILITY To the fullest extent permitted by applicable law, Lucas Align and its owners, employees, contractors, affiliates, and representatives will not be liable for indirect, incidental, special, consequential, exemplary, or punitive damages arising from use of or inability to use Wraparound. Lucas Align is not responsible for injuries, losses, misconduct, omissions, accidents, or damages arising from services or interactions between participating organizations, families, volunteers, mentors, caregivers, or other users except to the extent liability cannot legally be excluded. To the fullest extent permitted by law, Lucas Align's aggregate liability arising from the Platform will not exceed the amount paid to Lucas Align for the applicable organization's Wraparound service during the twelve months preceding the event giving rise to the claim. Some jurisdictions do not permit certain limitations of liability, so portions of this provision may not apply. 26.

INDEMNIFICATION To the extent permitted by law, organizations using Wraparound agree to defend, indemnify, and hold harmless Lucas Align and its officers, owners, employees, contractors, and affiliates from third-party claims arising from the organization's unlawful use of the Platform, violation of these Terms, violation of applicable confidentiality or privacy obligations, or content submitted without appropriate authorization. This provision does not require indemnification for liability caused by Lucas Align's own conduct where such indemnification is prohibited by law. 27. ELECTRONIC SIGNATURES AND RECORDS

You consent to the use of electronic records and electronic signatures in connection with Wraparound where permitted by law. When the Platform asks you to electronically sign or acknowledge a document, clicking an acceptance button, checking an acknowledgment box, typing or drawing your signature, or using another electronic- signature mechanism may constitute your electronic signature when accompanied by an intent to sign. Electronic records may be retained as evidence of agreements, acknowledgments, training completion, policies, permissions, or other Platform activities. Where appropriate, Wraparound may record information associated with an electronic signature or acknowledgment, including the signer, date and time, account, document version, and other audit information. 28. CHANGES TO THESE TERMS Lucas Align may update these Terms periodically. When material changes are made, we will provide reasonable notice through the Platform, email, or another appropriate method. When legally required or when changes materially affect your obligations, we may require you to affirmatively accept the updated Terms before continuing to use the Platform. 29. GOVERNING LAW These Terms are governed by the laws of the Commonwealth of Pennsylvania, without regard to conflict- of-law principles, except where federal law or another jurisdiction's mandatory law applies. Any dispute arising from these Terms or use of Wraparound will be brought in a court of competent jurisdiction in Pennsylvania unless another written agreement between Lucas Align and the applicable organization provides otherwise. 30. SEVERABILITY If any provision of these Terms is determined to be invalid or unenforceable, the remaining provisions will continue in effect to the fullest extent permitted by law. 31. ENTIRE AGREEMENT These Terms, together with the Privacy Policy and any applicable organization agreement, order form, data- processing agreement, or other written agreement with Lucas Align, constitute the applicable agreement concerning use of Wraparound. If an organization's separately executed agreement with Lucas Align conflicts with these Terms, the separately executed agreement controls to the extent of that conflict. 32. THE IMPORTANT FINE PRINT If you have actually read these Terms all the way to Section 32, congratulations. You are among a statistically suspicious percentage of users who read Terms of Service.

For the avoidance of doubt, nothing contained in these Terms shall be interpreted to revoke, restrict, suspend, or otherwise interfere with your right to continue being cool.

Furthermore, your decision to use Wraparound constitutes compelling anecdotal evidence of exquisite taste in software.

This provision is intended entirely for amusement, creates no legally enforceable standard of coolness, and shall survive termination solely because we think it should.

33. CONTACT Questions regarding these Terms may be directed to: Lucas Align LLC Pennsylvania, United States Email: admin@lucasalign.com Website: LucasAlign.com USER ACKNOWLEDGMENT By selecting "I Agree," creating an account, electronically signing below, or continuing to use Wraparound after being presented with these Terms, I acknowledge that: I have had an opportunity to review these Terms; I understand that Wraparound is a technology and coordination platform and is not a child welfare or emergency service; I agree to protect confidential information made available to me; I agree to use information only for purposes authorized by my role; I understand that my organization may impose additional policies and requirements; and I agree to these Terms of Service.
